Dear Mr. Araratyan,

Thank you for your letter of 19 February 2018, addressed to the Head of European Union Delegation to Armenia, Ambassador Piotr SWITALSKI.

The European Union Delegation to Armenia welcomes the initiative of “Standard Dialogue” LLC to achieve international recognition of its test results. We consider it as an important step for the facilitation of international trade, in particular for the export of Armenian products to developed countries, including to the European Union.

May I take this opportunity to wish you success in initiative which you refer in your letter.

Yours sincerely,

Piotr Antoni ŚWITALSKI  
Ambassador  
Head of Delegation
